

## Important information regarding: New Zealand Earthquake

Issued: 14th November 2016

This advice applies to customers who are concerned or may be affected by the recent Earthquake in New Zealand.

### Background

At around 12am local time, 10pm AEDT, a large earthquake registering 7.8 on the Richter scale struck 85kms north of Christchurch. This has been followed by over 200 aftershock events causing widespread damage at at least 2 deaths. A tsunami warning was issued initially but has since been lifted.

*Building damage and some casualties were reported in the affected area. New Zealand authorities have asked the public to avoid the centre of Wellington on 14 November. A number of aftershocks have been felt in the region. You should follow local sources of information for latest developments and any instructions issued by local authorities*
